West Gulf Coastal Plain and Big Thicket Science Conference:

We are proud to announce that the 6th installment of Big Thicket Science Conference will be held spring 2015 in Nacogdoches Texas. In response to growing interest in the Ecoregion, the scope of the meeting has been broadened to include the West Gulf Coastal Plain (including: the Piney Woods of East Texas, Western Louisiana, Southeastern Oklahoma, and Southwestern Arkansas).

Concurrent Paper and Poster Sessions: April 17th and 18th

Optional Field Trips: April 19th

Held on the Beautiful campus of

Stephen F. Austin State University, Nacogdoches, Texas
