

	Formicidae	Ants					
Researcher:	JoVonn Hill, Scott Solomon						
Affiliation:	Mississippi State University, Rice University						
Date Range:	2014-2017						
Total Identified to Date:	60						
	Species: (by Hill) total is 47	New Species:			Species added: (By Solomon, less Hill's duplicates) total is 13	New Species:	
	<i>Aphaenogaster miamiana</i>	new to state			<i>Apheanogaster carolinensis</i>		
	<i>Aphaenogaster treatae</i>				<i>Apheanogaster texana</i>		
	<i>Atta texana</i>				<i>Camponotus cf. texanus</i>		
	<i>Brachymyrmex depilis</i>				<i>Crematogaster minutissima</i>		
	<i>Brachymyrmex patagonicus</i>	new to state	exotic species		<i>Hypoponera opaciceps</i>		
	<i>Camponotus castaneus</i>				<i>Pheidole morrisii</i>		
	<i>Camponotus pennsylvanicus</i>				<i>Pheidole sp.</i>		
	<i>Crematogaster ashmeadi</i>				<i>Pheidole obscurithorax</i>		non native
	<i>Crematogaster lineolata</i>				<i>Prenolepis imparis</i>		
	<i>Crematogaster pilosa</i>				<i>Solenopsis molesta</i>		
	<i>Crematogaster pinicola</i>				<i>Solenopsis nickersoni</i>		non native
	<i>Cyphomyrmex rimosus</i>	new to state	exotic species		<i>Tapinoma sessile</i>		
	<i>Discothyrea testacea</i>				<i>Tetramorium cf. caespitum</i>		
	<i>Dolichoderus pustulatus</i>	new to state					
	<i>Dorymyrmex bureni</i>						
	<i>Forelius mccooki</i>						
	<i>Formica dolosa</i>						
	<i>Hypoponera inexorata</i>						
	<i>Hypoponera opacior</i>						
	<i>Labidus coecus</i>						
	<i>Leptogynes elongata</i>	new to state	exotic species				
	<i>Monomorium minimum</i>						
	<i>Myrmecina americana</i>						
	<i>Nylanderia arenivaga</i>						
	<i>Nylanderia faisonensis</i>						
	<i>Nylanderia fulva</i>	new to state	exotic species				
	<i>Nylanderia terricola</i>						
	<i>Pachycondyla harpax</i>	new to state	exotic species				
	<i>Pheidole dentata</i>						
	<i>Pheidole dentigula</i>						
	<i>Pheidole metallescens</i>						
	<i>Pheidole moerens</i>	new to state	exotic species				
	<i>Ponera pennsylvanica</i>						
	<i>Ponera exotica</i>						
	<i>Pseufomyrmex ejectus</i>						
	<i>Pseudomyrmex gracilis</i>	new to state	exotic species				
	<i>Solenopsis carolinensis</i>						
	<i>Solenopsis invicta</i>	new to state	exotic species				
	<i>Solenopsis subterranea</i>						
	<i>Solenopsis tonsa</i>						
	<i>Strumigenys angulata</i>	new to state					
	<i>Strumigenys dietrichi</i>						
	<i>Strumigenys louisianae</i>						
	<i>Strumigenys membranifera</i>	new to state	exotic species				
	<i>Strumigenys ornata</i>						
	<i>Strymigenys silvestrii</i>	new to state	exotic species
